

Muscat, Oman Restaurant Guide

List of Best Restaurants, Cafés and Coffee Shops, Pubs & Bars in Muscat, Oman Oman offers an eclectic range of dining opportunities that range from international fine dining to simple street stall snacks that encompass the range of nationalities and influences found in the country. International hotels such as Hyatt, Inter-Continental, Chedi, Al Bustan Palace, Shangri-La Barr Al Jissah Resort & Spa, Crowne Plaza, Radisson SAS, Sheraton and Howard Johnson ensure that visitors can enjoy not only the cuisine more commonly found in Western cities, but also the chance to sample the delicious Arabic dishes that no visit to Oman should exclude. All major hotels arrange culinary theme nights in addition to their standard menus that might feature for example French, Italian, German, Thai, or Mexican cuisine, often prepared by chefs native to those countries. Naturally, Arabic food in all its variations is well catered for and allows the diner the opportunity of taking a gastronomic tour throughout the Middle East and North Africa, sampling dishes from countries as varied as Morocco, Lebanon and Iran.
